

~~CONFIDENTIAL~~

22 November 1960

MEMORANDUM FOR: Chief, Chapter I Task Group

SUBJECT: Chapter I Forecasts for FY 1963 and FY 1964

REFERENCES: (1) Your memorandum dated 2 November 1960, subject as above  
(2) Our memorandum to Chairman, NIS Committee, 13 September 1960, Chapter I Production Forecast for FY 1962, 1963, 1964

1. The subject Chapter I forecasts have been reviewed in relation to the proposed Chapter IX schedules and forecasts for FY's 1962-64 now in the hands of the NIS Committee.

2. With two exceptions the Chapter I forecasts outlined do not conflict with Chapter IX planning. As noted in the referenced 13 September 1960 memorandum, the placement of NIS 28M, Lebanon, and NIS 35M, India, on the FY 1963 forecast would require the preparation of the Section 19 some months before the contributions to a scheduled Chapter IX for the same area are due. So that the research for the Sections 19 and the Chapters IX can be done simultaneously, we suggest that these two areas be interchanged with NIS 41M, North Korea, and NIS 41B<sup>M</sup>, South Korea, on the FY 1964 forecast.
